

# Isaí Céspedes Sánchez

## FULL-STACK WEB DEVELOPER

+34 641932807

*Junior Full Stack Developer with 2+ years of experience developing websites and applications using the latest technologies. Proven ability to troubleshoot software issues and create innovative solutions.*

### EXPERIENCE

Pylon Data, *Hybrid*

**Software Developer**, October 2022 - February 2023

- Assisted in debugging and troubleshooting of existing applications.
- Utilized version control systems like Git to manage development projects.
- Collaborated with other developers and stakeholders to ensure the successful completion of projects.

MICROVERSE, *Remote*

**Technical Support Engineer**, January 2022 – October 2022

- Reviewed code for more than 200 students in Microverse, giving support in languages such as JavaScript, Ruby, or SQL.
- Developed and tested new software applications and technologies.
- Guided students through a code review process allowing them to understand the process.

MICROVERSE, *Remote*

**Mentor (Volunteer)**, September 2021– Present

- Mentored more than 6 junior web developers, providing technical support through code reviews.
- Proposed improvements to code organization to improve code quality and overall performance.
- Provided advice and tips on maintaining motivation to maintain longevity in the program.

### EDUCATION

MICROVERSE, August 2021 – February 2022

**Remote Full Stack Web Development Program, Full-Time**

- Spend +2000 hours mastering algorithms, data structure and full stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux
- Developed skills in remote pair-programing using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers
